Yo fam, just a friendly get together every Friday at 7 on the street. I get mad dominos delivered, just pitch in a fiver for just wings or a ten for wings and some beer. Awesome conversation and some activity in between winging down. See you there! - Matt

Alright, so i dont know if this was supposed to be a joke or what. But this guy named Matt literally wanted to have wings delivered from Dominos and throw a mini fight club in the alley. He had beer in little kid sippie cups to evade the cops. Will not be back for this clown show!

I mean there are chairs.... so its better than sitting in the street? You could meet for coffee and bagels here if there was ya know... a coffee shop.
